Overall Length:

16.000 inches

Overall Height:

3.250 inches

Overall Width:

13.250 inches

Input Voltage Rating:

120.0 ac pounds per hour wet single operating power rqmt

Input Frequency Rating:

60.0 hertz single operating power rqmt

Output Wattage Rating:

300.0 watts single power output

Special Features:

Lan workstation and 386/486 applications; length 16.000 in; width 13.250 in; height 3.250 in

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A39900
