Overall Length:

1.300 inches

Overall Width:

1.190 inches

End Application:

General purpose electronic test equipment-gpete

Input Voltage Rating:

5.0 dc pounds per hour wet single operating power rqmt

Output Voltage Rating:

350.0 dc volts single power output

Output Wattage Rating:

3.0 watts single power output

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A39900
