**Power Unit Quantity:**

2

**Output Control Location:**

Front panel multiple power outputs w/identical ratings

**Output Connection Type:**

Connector, coaxial plug multiple power outputs w/identical ratings

**Input Connection Type:**

Connector, coaxial plug single operating power rqmt

**Product Name:**

Laser power supply-surrogate assembly

**Special Features:**

Material is silicone rubber

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A39900
