Power Supply - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6130-01-436-3568 **Overall Length:** 12.500 inches **Overall Height:** 4.400 inches **Overall Width:** 6.850 inches **End Application:** C-17 Input Voltage Rating: 115.0 ac volts single operating power rqmt **Input Frequency Rating:** 400.0 hertz single operating power rqmt **Criticality Code Justification:** Feat

Product Name:

Strobe, power supply

Special Features:

Electrostatic sensitivity

Shelf Life:

N/a

Unit Of Measure:

Demilitarization:

No

Fiig:

A39900
