End Application:

Salinity indicating panel

Input Phase:

Single single operating power rqmt

Input Voltage Rating:

115.0 ac pounds per hour wet single operating power rqmt

Input Frequency Rating:

50.0 hertz single operating power rqmt and 60.0 hertz single operating power rqmt

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A39900
