**Overall Length:**

21.500 inches

**Overall Height:**

17.000 inches

**Overall Width:**

7.700 inches

**Input Voltage Rating:**

92.0 ac pounds per hour dry single operating power rqmt and 146.0 ac pounds per hour with retaining chain single operating power rqmt

**Output Voltage Rating:**

103.0 ac volts single power output and 132.0 ac volts single power output

**Battery Feature And Type:**

Rechargeable lead acid cell

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A39900
