End Application:

Seawolf submarine

Input Voltage Rating:

115.0 ac pounds per hour wet single operating power rqmt

Output Voltage Rating:

5.0 dc volts single power output

Input Frequency Rating:

60.0 hertz single operating power rqmt

Special Features:

Switching

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A39900
