**Overall Length:**

19.600 inches

**Overall Height:**

5.220 inches

**Overall Width:**

16.750 inches

**End Application:**

Camps equipment, hewlett-packard co

**Input Voltage Rating:**

191.0 ac pounds per hour dry single operating power rqmt and 233.0 ac pounds per hour with retaining chain single operating power rqmt

**Input Frequency Rating:**

47.0 hertz single operating power rqmt and 63.0 hertz single operating power rqmt

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A39900
