Overall Length:

19.600 inches

Overall Height:

5.220 inches

Overall Width:

16.750 inches

End Application:

Camps equipment, hewlett-packard co

Input Voltage Rating:

191.0 ac pounds per hour dry single operating power rqmt and 233.0 ac pounds per hour with retaining chain single operating power rqmt

Input Frequency Rating:

47.0 hertz single operating power rqmt and 63.0 hertz single operating power rqmt

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A39900
