Overall Length:

11.200 inches

Overall Height:

4.980 inches

Overall Width:

10.400 inches

End Application:

Preprovisioning support navicp is poe

Special Features:

Wexternal casing is aluminum allow grade 6061-t6 coating is mil-c-554 class film, thermal fasteners shall be ierc part number z3a751b-s-bnr and z3a751b-s-bnl, captive fasteners shall be southco part number 47-11-632-50 or equivalent

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A39900
