Overall Length:

8.900 inches

Overall Height:

12.100 inches

Overall Width:

3.000 inches

End Application:

Cejt-sx-50

Electrical Power Source Relationship:

Operating

Input Voltage Rating:

120.0 ac pounds per hour wet single operating power rqmt

Ventilation Design Type:

Convection

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A39900
