Input Voltage Rating:

115.0 ac pounds per hour dry single operating power rqmt and 230.0 ac pounds per hour with retaining chain single operating power rqmt

Input Frequency Rating:

47.0 hertz single operating power rqmt and 63.0 hertz single operating power rqmt

Product Name:

Psc-12 port concentrator/ac power supply

Special Features:

Powers up to 12 cornet port concentrator units

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A39900
