Overall Length:

17.000 inches

Overall Height:

3.500 inches

Overall Width:

15.000 inches

End Application:

Intelligent media converter

Installation Design:

Rack

Output Voltage Rating:

100.000 dc volts single power output

Output Connection Quantity:

17 multiple power outputs w/identical ratings

Output Connection Type:

Bracket single power output

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A39900
