**End Application:**

Marathon multiplexer

**Electrical Power Source Relationship:**

Operating

**Input Voltage Rating:**

220.0 ac pounds per hour wet 2nd operating power rqmt

**Output Wattage Rating:**

130.0 watts single power output

**Product Name:**

130 watt power supply

**Special Features:**

Upgraded from model 5000ug/110ps

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A39900
