End Application:

Marathon multiplexer

Electrical Power Source Relationship:

Operating

Input Voltage Rating:

220.0 ac pounds per hour wet 2nd operating power rqmt

Output Wattage Rating:

130.0 watts single power output

Product Name:

130 watt power supply

Special Features:

Upgraded from model 5000ug/110ps

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A39900
