End Application:

Used on multiplexer, voice and data network

Output Voltage Rating:

100.0 ac volts single power output and 200.0 ac volts single power output

Input Frequency Rating:

50.0 hertz single operating power rqmt and 60.0 hertz single operating power rqmt

Special Features:

Current 2.5 to 5.0 amps; 350 watts; temperature 55 celcius

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A39900
