End Application:

Console, input-output, digital computer, model os-2032, nsn 7025-01-484-1335, model os-5024, nsn 7025-01-484-0952 and model os-3032

Document Source:

0z321

Product Name:

Back-up power system, ac

Special Features:

Power system for omnistack, includes backup ac power input and one power supply

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A39900
