Overall Width:

9.000 inches

Charging Current Rating In Amps:

2.400

Charging Regulation Method:

Controlled

Special Features:

2.4 amps charge current; 40 watts input power; 12 amps depolarization current

Type/model Designation:

I65

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A31600
