Overall Length:

1.880 inches

Overall Height:

2.250 inches

Overall Width:

1.620 inches

Ac Voltage Rating:

120.0 volts single operating power requirement

Dc Voltage Rating:

12.0 volts single operating power requirement

End Application:

7010-01-391-0168

Output Signal Type:

Direct current

Product Name:

Power supply, co monitor

Special Features:

5 watts; 2x20 awg insulated wire

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A541j0
