Ac Voltage Rating:

230.0 volts

Frequency Rating:

Between 50.0 hertz and 60.0 hertz

Special Features:

Euro cord

Functional Description:

6 station, battery maintenance system (bms) plus; charges, discharges, analyzes, performs conditioning and cycle tests on batteries; tracks voltage and capacity (mah)

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A31600
