**Overall Length:**

5.500 inches

**Overall Height:**

1.400 inches

**Overall Width:**

5.500 inches

**Electrical Power Source Relationship:**

Alternate operating

**Input Voltage Rating:**

12.0 dc pounds per hour wet single operating power rqmt

**Special Features:**

Metal enclosure with black matte finish

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A39900
