Input Voltage Rating:

48.0 dc pounds per hour wet single operating power rqmt

Output Voltage Rating:

375.0 ac volts single power output

Output Wattage Rating:

600.0 watts single power output

Special Features:

Dc-dc converter module; uses 2nd generation power processing; long-solder pin style; on-board mounting for 0.65 in. Boards

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A39900
