Overall Height:

3.500 inches

Overall Width:

17.000 inches

Overall Diameter:

19.000 inches

Document Source:

31795

Electrical Power Source Relationship:

Operating

Output Wattage Rating:

700.0 watts single power output

Output Connection Quantity:

6 single power output

Battery Recovery Time:

120.0

Product Name:

Powerware9125

Special Features:

0.0 to 25.0 degrees celsius storage temperature; 5 to 90 percent noncondensing relative humidity

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A39900
