Overall Length:

9.000 inches

End Application:

5895-01-467-7213 digital technical control

Ventilation Design Type:

Convection

Product Name:

5vdc power supply

Special Features:

Single output linear ac-dc power supply, open frame construction, convection cooled; output voltage is adjustable 4.75vdc to 5.25 vdc
output current is variable

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A39900
