Major Components:

Ncovers 63a-0061&-0062 1; pads 254-0567&-0568 1; hold downs c32e-184 1; kapowe (i+49) 1; step, grip struct, steel 262b-0062&0063 2&1; cables 73a-0223'000'red 1 and 73a-0224'00'red 1; nuts, bolts, washers, wingnuts, and latches

End Application:

2320-01-452-5579

Features Provided:

Grounding and grounding strap and ground wire terminal

Product Name:

Battery box assembly with instruction sheets

Special Features:

2 12v, type 6tmf maint free batteries; 24v start & 12v run; rated at -40de (f) w/steel grip strut step &bkt with 40k joule capacitor start

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A39900
