Overall Height:

3.500 inches

Output Wattage Rating:

1980.0 watts single power output

Output Connection Quantity:

12 single power output

Battery Feature And Type:

Nonrechargeable lead acid cell

Product Name:

Apc smart ups 2200va usb

Special Features:

480 joules surge energy rating; 15.7 minutes backup time, half load; 5.2 minutes backup time full load; leakproof; black; 0 to 95 percent operating relative humidity; 300 btu/hr online thermal dissipation

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A39900
