**Overall Height:**

3.500 inches

**Output Wattage Rating:**

1980.0 watts single power output

**Output Connection Quantity:**

12 single power output

**Battery Feature And Type:**

Nonrechargeable lead acid cell

**Product Name:**

Apc smart ups 2200va usb

**Special Features:**

480 joules surge energy rating; 15.7 minutes backup time, half load; 5.2 minutes backup time full load; leakproof; black; 0 to 95 percent operating relative humidity; 300 btu/hr online thermal dissipation

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A39900
