Overall Length:

4.881 inches

Overall Height:

3.227 inches

Overall Width:

2.755 inches

Installation Design:

Hole

Input Voltage Rating:

100.0 ac pounds per hour wet single operating power rqmt and 240.0 ac pounds per hour wet single operating power rqmt

Input Frequency Rating:

50.0 hertz single operating power rqmt

Output Wattage Rating:

40.0 watts single power output

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A39900
