Ac Voltage Rating:

Between 96.0 volts and 264.0 volts

End Application:

5836-01-500-3274

Charging Voltage In Volts:

8.4

Furnished Items And Quantity:

2 power cables and 1 battery coupler

Battery Type For Which Designed:

Lithium ion

Special Features:

Displays charging time left and remaining battery life in minutes. Aslo has quick charge capability

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A31600
