Overall Length:

25.000 inches

Overall Height:

5.200 inches

Overall Width:

19.000 inches

Electrical Power Source Relationship:

Self-contained

Installation Design:

Rack

Input Voltage Rating:

120.0 ac volts single operating power rqmt

Output Voltage Rating:

120.0 ac volts single power output

Battery Feature And Type:

Rechargeable lead acid cell

Product Name:

Apc su3000rmlxli3u rackmount rm smartups 3000 battery backup system

Special Features:

Power provided 3000 va; output connectors 8 x power nema 5-15; battery form factor plug-in module; average run time 5.6 min at full load

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A39900
