Overall Length:

26.000 inches

Overall Height:

5.250 inches

Overall Width:

19.000 inches

Input Voltage Rating:

120.0 ac pounds per hour wet single operating power rqmt

Input Frequency Rating:

50.0 hertz single operating power rqmt and 60.0 hertz single operating power rqmt

Output Wattage Rating:

1750.0 watts single power output

Product Name:

Apc smart-ups xl 2200 va rm 3u 120v

Special Features:

output voltage - 120v; operating enviroment - 0 degrees c to 40 degc; battery type - lead acid battery, leakproof; output power capacity - 2200va

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A39900
