Overall Length:
19.000 inches

Overall Height:
3.500 inches

Overall Width:
14.000 inches

Input Voltage Rating:
28.0 dc pounds per hour wet single operating power rqmt

Output Voltage Rating:
24.0 dc volts single power output

Output Wattage Rating:
560.0 watts single power output

Shelf Life:

N/a

Unit Of Measure:

Special Features:

Redundant/rugged/rack mountable

Demilitarization:

Yes - demil/mli

Fiig:

A39900
