Os7700 (0z321), switch omnistack 7700

## Input Voltage Rating:

85.0 ac pounds per hour dry single operating power rqmt and 270.0 ac pounds per hour with retaining chain single operating power rqmt

**Special Features:** 

600 watt ac; auto-sensing

Shelf Life:

N/a

**Unit Of Measure:** 

Demilitarization:

No

Fiig:

A39900
