Overall Length:

5.000 inches

Overall Height:

1.100 inches

Overall Width:

3.000 inches

Installation Design:

Rack

Input Voltage Rating:

85.0 ac pounds per hour dry single operating power rqmt and 264.0 ac pounds per hour with retaining chain single operating power rqmt

Output Voltage Rating:

5.0 ac volts 1st power output

Output Current Rating:

5.0 ac amperes 1st power output

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A39900
