Overall Length:
5.000 inches
Overall Height:
1.100 inches
Overall Width:
3.000 inches
Installation Design:
Rack
Input Voltage Rating:
85.0 ac pounds per hour dry single operating power rqmt and 264.0 ac pounds per hour with retaining chain single operating power rqmt
Output Voltage Rating:
5.0 ac volts 1st power output
Output Current Rating:
5.0 ac amperes 1st power output
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A39900
