**Overall Length:**

10.000 inches

**Overall Height:**

1.250 inches

**Overall Width:**

2.250 inches

**End Application:**

Bowman fast track

**Product Name:**

Dual output dc-dc converter

**Special Features:**

Ruggedized; 12 to 32 vdc input voltage; green led output power indicator; -20/+40 degrees c operating temperature; 12 amps input current

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A39900
