Overall Length:

10.000 inches

Overall Height:

1.250 inches

Overall Width:

2.250 inches

End Application:

Bowman fast track

Product Name:

Dual output dc-dc converter

Special Features:

Ruggedized; 12 to 32 vdc input voltage; green led output power indicator; -20/+40 degrees c operating temperature; 12 amps input current

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A39900
