Overall Length:
14.000 inches
Overall Width:
4.500 inches
End Application:
Alofts sonar system, model 980 (v1)
Electrical Power Source Relationship:
Operating
Output Voltage Rating:
15.0 dc volts single power output
Product Name:
Low voltage power supply
Special Features:
Supplies power for fan and amplifier
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A39900
