Overall Length:

3.700 inches

Overall Height:

0.181 inches

Overall Width:

0.591 inches

End Application:

Bowman fast track

Current Rating:

4.500 milliamperes

Wattage Rating:

2.100 watts

Special Features:

Direct drive cold cathode fluorescent lamp inverter modules are specifically designed for driving 8.4 inch and smaller lcd backlight lamps

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
