**Overall Length:**

6.768 inches

**Overall Height:**

9.190 inches

**Overall Width:**

1.595 inches

**End Application:**

A/m37t-21d test stand

**Input Phase:**

Single single operating power rqmt

**Input Voltage Rating:**

90.0 ac pounds per hour dry single operating power rqmt and 264.0 ac pounds per hour with retaining chain single operating power rqmt

**Output Voltage Rating:**

5.0 ac volts single power output and 40.0 ac volts single power output

**Input Frequency Rating:**

47.0 hertz single operating power rqmt and 63.0 hertz single operating power rqmt

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A39900
