Overall Length:

6.768 inches

Overall Height:

9.190 inches

Overall Width:

1.595 inches

End Application:

A/m37t-21d test stand

Input Phase:

Single single operating power rqmt

Input Voltage Rating:

90.0 ac pounds per hour dry single operating power rqmt and 264.0 ac pounds per hour with retaining chain single operating power rqmt

Output Voltage Rating:

5.0 ac volts single power output and 40.0 ac volts single power output

Input Frequency Rating:

47.0 hertz single operating power rqmt and 63.0 hertz single operating power rqmt

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A39900
