Application Design:

Power supply

Overall Length:

10.180 inches

Overall Width:

9.560 inches

End Application:

Power supply

Criticality Code Justification:

Agav

Product Name:

Inavy)cover, power supply (drawing)cover assembly, power supply(007083)

Special Features:

15x.13-.18 through electrical shielding gasker, match holes with existing holes

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T23700
