Overall Length:

7.000 inches

End Application:

Tss; power supply p/n 0205958-20 (55910)

Rectification Method:

Inverter ac to dc

Criticality Code Justification:

Agav

Product Name:

Ac to dc power supply

Special Features:

Uskynet power supply p/n snp-a079; molex pin & socket housing p/n 03-09-1042; 2 x molex pin p/n 02-06-1103; 4j1 wiring red to power supply & black to o rt (cmn) ; distribution statement d, military critical technology: export controlled

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A39900
