Power Supply - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6130-01-532-1595

Output Voltage Rating:

28.0 dc volts single power output

Product Name:

Dc converter

Special Features:

Up to 600 watts output power capability; input surge/transient protection up to 600 v; no load required; operating temperature -40/+85

degrees c; waterproof

Shelf Life:

N/a

Unit Of Measure:

Demilitarization:

No

Fiig:

A39900
