Input Voltage Rating:

110.0 ac pounds per hour dry single operating power rqmt and 220.0 ac pounds per hour with retaining chain single operating power rqmt

Output Voltage Rating:

5.0 dc volts single power output

Product Name:

Power adapter, external

Special Features:

External; 50/60hz frequency; 1 input connector; power dc jack output connector

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A39900
