End Application:

Desktop d530 system

Input Voltage Rating:

120.0 ac pounds per hour dry single operating power rqmt and 240.0 ac pounds per hour with retaining chain single operating power rqmt

Input Frequency Rating:

45.0 hertz single operating power rqmt and 66.0 hertz single operating power rqmt

Special Features:

6 dc outputs 185 watts with power factor connection (pfc)

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A39900
