End Application:

Ca100 multifunction calibrator

Input Voltage Rating:

90.0 ac pounds per hour dry single operating power rqmt and 264.0 ac pounds per hour with retaining chain single operating power rqmt

Input Frequency Rating:

48.0 hertz single operating power rqmt and 62.0 hertz single operating power rqmt

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A39900
