Overall Length:

14.085 inches

Overall Height:

7.820 inches

Overall Width:

2.400 inches

Battery Quantity:

2

Product Name:

Emergency power supply

Special Features:

Plus 24 to 28 vdc battery output voltage; 10 amp steady state load battery output current; 5 volt converter input undervoltage shutdown; 5 volt input overvoltage shutdown

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A39900
