Overall Length:

26.000 inches

Overall Height:

5.100 inches

Overall Width:

17.000 inches

Battery Quantity:

1

Battery Feature And Type:

Rechargeable lead acid cell

Battery Location:

Internal

Battery Power Supply Emergency Operating Time:

14.1

Special Features:

Voltage provided ac 208v; voltage required ac 208v; power provided 3000 va

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A39900
