Overall Length:

18.240 inches

Overall Height:

3.500 inches

Overall Width:

17.000 inches

Input Voltage Rating:

120.0 ac pounds per hour wet single operating power rqmt

Output Voltage Rating:

120.0 ac volts single power output

Input Frequency Rating:

47.0 hertz single operating power rqmt and 63.0 hertz single operating power rqmt

Output Wattage Rating:

865.0 watts single power output

Output Current Rating:

1440.0 ac volt-ampere single power output

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A39900
